TRUTH IN SAVINGS DISCLOSURE

This Disclosure Statement sets forth certain terms relating to your Accounts with us. These terms are part of your contract with us and are binding upon both of us.

Share Account, NOW (Share Draft) Account, Term Share Accounts, Club Accounts, Tiered Rate Money Market Deposit Account (MMDA).

Rate Information

Your dividend rate and Annual Percentage Yield may change. At our discretion we may change the dividend rate on your account at any time. The dividend rate and Annual Percentage Yield set forth on the back of this disclosure are as of the last dividend declaration date.

Dividends are paid from current income and available earnings, after required transfers to reserves at the end of the dividend period.

Accrual of Dividends on Non-cash Items

Accrual of dividends on non-cash items (for example, checks) you deposit will begin on the effective date of deposit such non-cash items.

Dividend Compounding and Crediting

Dividends are compounded and credited monthly. The dividend period is monthly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period, and for the example set forth herein is the third Wednesday in February.

If you close your account before dividends are credited, you will receive the accrued dividends.

Calculation Method

We use the daily-balance method to calculate dividends on your account. This method applies a periodic rate to the principal in the account each day.

Minimum Balance Requirements and Transaction Limitations

The par value of a share in this credit union is **\$5.00**.

The minimum you may withdraw from a **Club Account** at any time is the entire balance in your account.

The minimum balance requirements for your accounts are disclosed in the minimum balance requirement and account rate information section of this disclosure.

We may require you to give written notice of an intended withdrawal not less than 7 days before the withdrawal is to be made. Under applicable law, we may extend the notice period for up to 90 days.

If your account is a Tiered Rate Money Market Account or Share Account during each monthly statement period, you are limited to making no more than 6 transfers to another account with us or to a third party by means of preauthorized or automatic transfer, or telephonic agreement, order or instruction, or by check, draft, debit card or similar order made by you and payable to third parties. For purposes of this limitation, transfers made by using Online Banking Services are counted against the permissible number of transfers.

TERM SHARE ACCOUNTS

Account Transaction Limitations

You may not make deposits into your account until maturity date. You may withdraw all or some principal before the maturity date, however, a penalty will be imposed on the amount which you withdrew and charged to your account.

In unusual circumstances we may require a 90 day written notice of intent to withdraw any or all of the funds in this account.

Early Withdrawal Penalty

If you withdraw any principal before the maturity date, a penalty may be imposed on the amount which you withdraw and charged to your account. If your account has an initial maturity of one year or less, the penalty will be equal to 30 days dividends, which would have been earned on the amount of principal withdrawn. If your account has an initial maturity longer than one year, the penalty will be equal to 90 days dividends, which would have been earned on the amount of principal withdrawn.

No penalty shall be assessed in the event of the death or adjudication of mental incompetence of any owner of the account.

The credit union may also allow a withdrawal, in whole or in part, without penalty, with respect to any deposit which is contributed under a Keogh Plan or Individual Retirement Account where the individual for whose benefit the plan or account is maintained is 59.5 years of age or older or becomes disabled as defined in the Internal Revenue Code.

The disclosed Annual Percentage Yield assumes the dividends remain on deposit until maturity. Any withdrawal will reduce earnings.

Renewal Policy

This account will automatically renew at maturity. You can prevent renewal if you withdraw your entire balance at maturity, or within the 10-day grace period. You can prevent renewal if we receive written notice within the 10-day grace period. We can prevent renewal by mailing notification to you at least 30 days before the maturity date.

Each renewal term will be the same as the original term, beginning on the maturity date. The interest rate will be equal to the rate offered on new Term Share Accounts on the maturity date, which have the same term, minimum balance requirements and other features in common with the original Term Share Deposit Account.

You will have a grace period of 10 days after the maturity date to withdraw funds without penalty.

If you do not renew your account for any reason, your deposit will be placed in a dividend bearing account.
